General Guidelines

1. This is a non-juried show. Entry is available to all active members of WVAL who are a member in good standing since **May 1, 2017**. Participants must volunteer for a **3 hour minimum period** on either Thursday, Friday, Saturday or Sunday. There is limited space in Johnson Hall, so a maximum of **40 artists** can enter the show.
2. Members may submit **4 artworks for hanging** on panels and maximum **20 unframed pieces** in one self-provided bin. Jewelry and 3D artists will be provided with **one 6 foot table** and black tablecloth and are responsible for their display. Jewelry and 3D pieces are not limited as long as they fit on one table.
3. A special section of the exhibit will be devoted to "Cool Art." Subject matter can be anything that designates "coolness." There will be People's Choice voting on the Cool Art section with a prize to the winning artist. Art subject matter should be appropriate for all visitors to the Wimberley Community Center which is a family-oriented venue. The gallery committee reserves the right to reject any artwork.
4. Only original works of art, including fine art prints, photographs and digital art signed by the artist will be accepted. All art must have been created entirely by the artist.
5. All artwork must be dry to the touch. 2D art should be framed or unframed with finished edges. No visible staples. Because of space limitations, art must be no larger than 96" height and width combined. Artwork labels will be provided by the league for the 4 hanging panel pieces only.
6. All artwork must be for sale and prices may not be changed after entry. WVAL will collect, report and pay the sales taxes to the State of Texas. WVAL will retain a **30% commission** on sales. 70% will be mailed to the artist within a month of the end of the show. All sales will take place at the main sales desk. As each item sells, it will be recorded on the artists inventory form.
